## *COVID-19 CLOSURE*

---

Per the Governor's directive, our physical office is closed until further notice.

However, our accountants are actively working from home! If you are a current client who already dropped off your tax information, we will be calling or emailing you, as normal, to work with you to prepare your return.

If you have not yet provided your tax information, you may still mail or email your information to us. Feel free to call us – we will work with you to ensure your return is prepared timely.

Our goal is to continue to provide excellent customer service while doing our part to mitigate the spread of coronavirus.

Thank you for your patience and cooperation!
